We are about to re-print and publish a new edition of Mr W J E Eason's original 1951 book "A Short History of Rotuma." This book has been in short supply and has become sought after by many Rotumans over the years. We wanted to have some copies for our immediate family and thought there would be others who would also like a copy.

If you would like to purchase a copy (or two) please contact us by email or Facebook below. In order to confirm your order, it would be appreciated if you could now forward a pre-purchase sum of \$NZ10.00 (by Internet Banking, or cheque payable to Rotuma History Print ~ see details below).

We would appreciate it if you could submit your order(s) by November 17 latest, as the book goes to the printer then. There will be a special 15% discount price for orders received upto that time.

The final retail Book price has not yet been confirmed, as this will only be clearer when we have a better idea of numbers ordered: the more orders the cheaper the price. We expect the final cost to be between \$NZ30.00 - \$NZ35.00. We will advise you prior to publication date in early December.

The book will be on sale at the initial 15% discounted launch price less your \$10.00 pre-purchase fee and your order will be available for delivery once we receive the balance of your payment. Plus Postage and Packaging ~ \$7.50 in NZ; \$15.00 ~ Overseas. Bulk orders by negotiation.

We would also appreciate it if you could let other family members and friends know about the new publication. If you can supply email addresses, we will forward this brochure to them.
