

BACKGROUND & OVERALL CHAMPIONS

BACKGROUND

The Navua Rotuman Farmers foodshow first began in 2003. The objectives of the foodshow were to:

- ensure unity within the Rotuman community;
- allow the farmers to showcase their crops & pass on skills to the younger generation;
- share ideas and know-how on the best ways to utilize their land;
- ensure that there are always sufficient root crops for the family all year round;
- maintain the different varieties of root crops competition as on the home island; and
- build and strengthen the true spirit of competition.

The competition is amongst the individual farmers who must be of Rotuman descent or married to a Rotuman residing within the Navua area. The farmers compete in individual categories as well by ho'aga. The ho'aga is determined according to the location of the farmers within the Navua Area as follows:

- Nasasa
- Viwawa
- Navua
- Rovadrau
